## ROAD NAME REQUEST FORM

In order to comply with the Enhanced E911 requirement that street names be as clear and distinct as possible for emergency dispatch, it is necessary to have new street names approved by the E911 Coordinator prior to subdivision approval. Extra steps and charges may be eliminated during the approval process if the street names don't have to be changed mid-stream.

Please use one form for each street under consideration, and allow a few days for this process. List at least three names to be considered. They should not look like or sound like existing street names. For the present time, the list of street names (actual and reserved) are available in the Assessor's Office. In the near future, we will have a list on our website for your convenience.
